(*c*) & (*d*) Yes, Sir. The retail prices of chemical fertilizers are fixed and notified under the Fertilizer (Control) Order. It is an offence under the Order to charge prices in excess of those notified and if any dealer does so, he is liable to action being taken against him under the Order. Agricultural Demonstrators who are the authorised Inspectors under the Order, keep a watch and check the selling prices of fertilizers by the dealers with a view to taking action against offenders.
